

## Fundraising Prize 2023

We're delighted to announce the results of our new Fundraising Prize for those individuals and teams who ran in our events to raise money for their own chosen good causes.

Winners were Berkhamsted firm, Allazo Accounting and Consultancy, having raised £4,549 for Pepper Foundation, which provides such a valuable Hospice at Home for children with life-limiting conditions in Bucks and Herts. Berkhamsted Rotary will donate a further £150 to recognise their impressive win. With £2,600 the Merchant Taylors' team are raising funds for their excellent scheme that gives 20 young people with physical and mental disabilities a wonderful week-long holiday each year in Shropshire.

In total, our 14 entrants raised a huge £21,772 for a range of excellent causes.

And that's on top of what Rotary has raised for charity by organising the event. We're so encouraged by this new Fundraising competition, that we hope to repeat it in 2024.

Congratulations to all our entrants!

If you'd like to add your donations, to help any of the charities supported by our entrants, here are the links:
