

**They may look  
worthless to you ...**

Tools for Life   
**WORKAID**®

**TOOLS FOR  
SELF RELIANCE**  
Practical help for practical people

... **but** for people in Africa with skills and drive, a good set of tools can help them earn a living for themselves and their family.

Tools for Self Reliance gives practical people the chance to take control of their lives and build their communities by giving them the tools and training they need.

Berkhamsted Rotary collects old and unwanted hand tools for refurbishment which are collected into useful artisan kits.

So if you have any **hand operated** woodwork, metalwork, construction or motor maintenance tools, in any condition, please let us have them. We also take **hand operated** sewing machines. We also take power tools which we donate to Work Aid which also helps overseas communities.

We are happy to come and collect at any time – so clear out that shed!
